## Maintenance Assistant

### Description of Role

**Reporting to:** Maintenance Manager; Finance Director

---

**Purpose of the role:** to work under the advice and direction of the Maintenance Manager, helping to ensure that the whole site operates safely and continuously as far as possible; to use general maintenance skills to assist the Maintenance Manager as needed; to work cooperatively with the Head of Grounds and the Grounds team.

#### Training

- Take an interest in improving and expanding your general maintenance skills, showing a willingness to learn from, or with, the Maintenance Manager
- Maintain a positive and enthusiastic approach to the variety of work, appropriate training and information sharing with the Maintenance Manager
- Be responsible for attending Whole-School Inset training as appropriate, and for maintaining the required Safeguarding certificates

#### Interaction

- Show a professional, helpful and courteous approach to all staff, contractors, children, parents and visitors
- Develop loyalty to the School, and a desire to do a good job, whatever the work in hand

- Be cooperative and enthusiastic in your interaction with the Head of Grounds and the Grounds Team

### **Health & Safety**

- Develop and maintain a knowledge of the Health & Safety matters around the site
- In the absence of the Maintenance Manager, give immediate attention to Health & Safety defects
- Communicate any Health & Safety issues to the Maintenance Manager
- As directed by the Maintenance Manager, assist with the response to Fire Alarms or Lock Down, or other emergencies, helping to ensure swift resolution

### **Buildings & Classrooms**

- Assist with all aspects of building maintenance as directed by the Maintenance Manager
- In the winter, help to maintain a lit fire in the entrance hall and a supply of wood

### **Other areas**

- Assist with the preparation for whole school events as necessary, such as Sports Day or the Christmas Fayre. These events may require a few hours of work in the evening or on a Saturday.
- Clearing and maintenance of guttering and drains
- Maintenance of indoor and outdoor swimming pools, in cooperation with the Pool Manager
- Drive, car-park, paths and paving maintenance
- Minibus basic maintenance and preparation for use

### **General:**

- Arrive in sufficient time each day to start work at the correct time
- Leave the work-shop tidy and the equipment safely and securely stored at the end of the day
- Report the day's progress to the Maintenance Manager at the end of each day
- Undertake other duties appropriate to the grade and character of the work as needed and requested by the Maintenance Manager
- Observe school policy on Health and Safety and Safeguarding, including reporting lines and procedures.

### **Desirable Personal Qualities and Experience:**

- General maintenance skills, with carpentry a particular asset
- An appropriate training qualification, such as NVQ
- An enthusiastic but measured approach to work, one which helps to ensure mistakes are avoided and work is done to the highest standard
- A willingness to ask questions, watch and learn, as well as to share skills and methods of working which might prove useful
- A generous outlook, with a sense of humour and an appreciation of the worth of others
- A genuine interest in learning about the general maintenance of a large site, incorporating the wide variety of jobs and skills needed.
- Proven experience of having worked in a similar role, and of having shown commitment and conscientiousness, and a strong awareness of risk
- A responsible, mature and good-humoured approach

### **Hours of Work**

This role is full time, from 7.30 am to 4.30 pm, with one hour for breaks. The school has a generous holiday allowance, and it amounts to 6 weeks holiday for Maintenance Staff. Very occasionally, there is a requirement to be available to work in the evenings or at the weekend.
